Our Services

EMERGENCY SERVICES

Disasters are unpredictable. That's why our 24-hour Rapid Response Team stands ready to assist day or night. Disasters can't be planned, but they can be overcome. We are experts at restoring your property and getting things back to normal.

WATER AND FLOOD RESTORATION

As one of the most destructive forces in nature, water can create a multitude of problems if left untreated. We know how to remove it, and we do it right the first time, saving you money.

DIRECT INSURANCE BILLING

DMC works directly with insurance companies to help owners and businesses streamline the restoration process and limit the amount of time spent dealing with complicated paperwork.

MOLD, BACTERIA AND SEWAGE CLEAN UP

DMC's certified microbial technicians are experts at removal and sanitation of all types of microbial growth. By using advanced filtration equipment and state-of-the-art anti-microbial agents, we make your home or business safe again.

SMOKE AND FIRE RESTORATION

The complicated nature of smoke and fire damage requires expert attention. Our technicians are trained at identifying the type of smoke involved, so we can offer you the best and most effective solution. And, because we are a full-service general contractor, we can see your restoration through from start to finish.
